| |2 of 2 people found the following review helpful.| Easy read | By Kindle Customer |I give it 5 stars because it was everything it said it was. It was easy for me to read and get through. I like that I was short and not a long distracting explanation of something I already know. I would recommend the book to anyone who needs help trying to find a little peace of mind with ADHD. This can also be a good read for people trying to unde

Our ADHD can be a brutal force when it comes to anxiety. We can't seem to stop the ADHD engine when it comes to what we need to worry about our what our most recent failure was. Our ADHD can't help us remember where we last put our car keys, but it will remind us of the time we fainted in the 3rd grade play or when we left our term paper on the kitchen table. Our anxiety takes us away from the joys of life, from the relationships we desperately want and the calmness we s
